1. The savings and/or discounts for combining Auto and Homeowners policies vary by state.

2. The deductible to be applied will be the higher of either your Homeowners policy's Section 1 deductible or "your covered auto's" physical damage deductible that applies to the covered loss. The highest deductible applies to the total of all damages which results from the same accident or occurrence. Deductibles will be applied separately when this would be to your benefit. The Special Account Deductible Endorsement does not waive or replace the Homeowners policy's coverage-specific deductibles, including but not limited to, earthquake, water back-up or sump pump overflow, freezer contents, or watercraft deductibles. All other provisions of the Homeowners policy apply. This endorsement must be attached to the Change Endorsement when issued after the policy is written. The Special Account Deductible Endorsement may not be available in all states.
